

The link below has some of the evidence regarding EBRD frauds at four offshore Russian banks: Parex of Latvia, Citadele of Latvia, Siauliu of Lithuania, and Ukio of Lithuania. The EBRD still owns stakes in Citadele and Siauliu now in 2021. According to a Eurostat report, the investment in Citadele is due to be secretly reversed. Whether the investments in Siauliu and Bank of Cyprus are also going to be secretly reversed isn't publicly known.
