

Exclusive: the Epstein-Browder connection!

Of course there is an Epstein-Browder connection! It runs through the corrupt Robert Maxwell, father of Ghislaine and first employer and mentor of tax fraudster William Browder in London in 1991 when he worked for Maxwell's investment bank focusing on Russia and Eastern Europe. (Browder never mentions Maxwell.)

From the just released Epstein files, American billionaire Tom Pritzker tells Epstein in an email dated 8/9/2011, "Re: Putin, I spoke with Bill Browder. He's happy to talk w you, but doesn't want that known. He's in a big stakes situation. His secy's address is (blacked out). Have someone set up a time for the two of you to speak. Its goddam hot down here. Tom."

In 2011 Browder and his ex-State Dept *consigliere* Jonathan Winer were inventing the Magnitsky hoax and using it to get Congress to vote for the Magnitsky Act that passed the next year. Also known as The William Browder Protection Act, it aimed to block the Russians from going after him for \$100mil in evaded taxes and illicit stock buys. (Please file this someplace where the MSM talks about Russian corruption.)

Tom Pritzker, 76, is chairman of the global conglomerate **The Pritzker Organization**. He is the executive chairman of **Hyatt Hotels Corporation**. The Pritzkers are American oligarchs, one of the country's wealthiest and most influential families, including his cousin the current governor of Illinois.

Tom Pritzker was named in a deposition filed under oath by Virginia Giuffre related to her being sexually trafficked through the Jeffrey Epstein network. She testified in the deposition that she once was sexually abused by Pritzker.

I wonder what Jeffrey Epstein wanted to talk to conman Bill Browder about regarding Putin!

Tom Pritzker linked to Jeffrey Epstein and William Browder, linked to Robert Maxwell. Maxwell of course is the Epstein-Browder connection.

Will the legacy press look into this? Or will they continue protecting conman and fraudster Bill Browder? Because you get a pass if you say you don't like Putin.
(Why does anybody still believe the MSM?)
